THE GOODS

BY; DESTINI DORING

“Love is in the air, Everywhere I look around, Love is in the air.”

Clearly, I'm excited about all the things that we have to love – especially in the month of February. My heart is full for so many reasons. Thank you, AGAIN, to all our volunteers who helped take down our 33 Christmas trees this past month. Your help is appreciated more than you know. I want to thank all of you who joined us for our annual budget meeting. As I discussed at the meeting, we had a good end to 2023 which made this meeting better than expected. The Board of Directors and our staff have worked VERY hard to keep our operating costs down and within budget.

I'm also filled with joy at how well everyone has done this year with the flu and other viruses. Your consideration for others is greatly appreciated by all.

Now go tell your friends – Prince of Peace Retirement Living is the place to be. We truly are blessed with the best!
